Dear Sir:

Preliminary to the examination of the above-identified application, please amend the application as follows.

IN THE CLAIMS:

Please amend the following claims.

1. (Twice Amended) An optical disc comprising:  
a main area storing digital data, said main area being divided into a plurality of zones; and  
a spare area having an area within each of said zones of said main area,  
wherein at least one area[s] of said spare area varies in size relative to at least one other area of said spare area [vary in relative size].
2. (Twice Amended) The optical disc as claimed in claim 1, wherein the relative sizes of said areas of said spare area[s]
